

Volunteer role guideline

Warwickshire
Wildlife Trust

Role title: National Hedgehog Monitoring Programme Hub, ID - Mammal Web Volunteer.

Purpose of your role: To support and assist with the classification of animals seen in the captured footage on cameras as part of the National Hedgehog Monitoring Programme.

Tasks you will be involved with:

- Reviewing camera footage.
- Use of Mammal Web to identify animals captured on camera. (Training on Mammal Web and instructions will be provided).

Skills and abilities required:

- Own access to the internet and a PC/laptop (if carrying out tasks from a home location).
- Ability to work independently.
- Attention to detail with a high degree of accuracy.
- Good communication and team working skills with a willingness to learn.

You will be based at: Brandon Marsh Nature Centre or after a successful induction from your home location.

Days and time we would like you to be available: Flexible, between 1-2 hours each week, times to suit you, if undertaking this role from home. If working from an office at Brandon Marsh Nature Centre, hours will be between 10am and 2pm, weekdays only.

Benefits to you:

- Opportunity to make a difference to your local wildlife in Warwickshire, Coventry, and Solihull
- Contributing to a national recording scheme - National Hedgehog Monitoring Programme.
- Learn more about wildlife and improve your wildlife ID skills.
- Meet like-minded people and be part of a team. #TeamWilder!

Your staff contact: Wilder Communities Advisor and GIS and Data Officer.
